WHO WE SERVE — 3 OPC SEGMENTS

Graduates (S1)

AI career / self-employment · scholarship & financing

Professionals 35-55 (S2)

AI for work or a business · premium, HRD Corp claimable

Influencers / KOL (S3)

Monetize audience & make AI films · revenue-share

TWO ENGINES

Engine A · Academy

Course fees + recurring AI-tool subscriptions

Engine B · Film Studio

Production fees + per-film funding + licensing

The flywheel

how the pieces compound

1

Train

AI Academy — ladder from RM299 intro upward

2

Tool (recurring)

Students stay on Cora AI Gateway + openIP

3

Monetize

Creators sell & earn on openIP

4

Produce

Film Studio: we sell DFY, grads (DIY) fulfil it

5

Market

Finished films fill the next cohort

↺ each film + each graduate lowers CAC and feeds the next turn

THE OWNED TOOLCHAIN

● Cora AI Gateway

Chat · Cowork · Video Studio — daily AI work & reels

LIVE

● openIP

Tokenize · storefront · AI-clone — turn output into income

LIVE

● Cora AI Film Studio

Premium reels + full films · up to 80% cheaper, top quality

BUILT

Film go-to-market

DFY — we make it (enterprise/SME) · DIY — Founder-Track grads make & fulfil
