WHO WE SERVE — 3 OPC SEGMENTS

Graduates (S1)

AI career / self-employment · scholarship & financing

Professionals 35-55 (S2)

AI for work or a business · premium, HRD Corp claimable

Influencers / KOL (S3)

Monetize audience & make AI films · revenue-share

TWO ENGINES

Engine A · Academy

Course fees + recurring AI-tool subscriptions

Engine B · Film Studio

Production fees + per-film funding + licensing

The flywheel

how the pieces compound

- 1 Train**
AI Academy — ladder from RM299 intro upward
- 2 Tool (recurring)**
Students stay on Cora AI Gateway + OneIP
- 3 Monetize**
Creators sell & earn on OneIP
- 4 Produce**
Film Studio: we sell DFY, grads (DIY) fulfil it
- 5 Market**
Finished films fill the next cohort

↻ each film + each graduate lowers CAC and feeds the next turn

THE OWNED TOOLCHAIN

● Cora AI Gateway

Chat · Cowork · Video Studio — daily AI work & reels

LIVE

● OneIP

Tokenize · storefront · AI-clone — turn output into income

LIVE

● Cora AI Film Studio

Premium reels + full films · up to 80% cheaper, top quality

BUILT

Film go-to-market

DFY — we make it (enterprise/SME) · **DIY** — Founder-Track grads make & fulfil.

BFU: sign actors & KOLs to star (their face/likeness) in the AI films while we raise per-film investment — AI changes how they work, not out of a job.
