

Cora AI Film Studio — Regional Repackaging

A partner with a proven overseas AI film studio and an **"OY" smart-routing engine** — the system auto-selects the best model per task, mirroring our own Cora smart routing. We repackage it as **Cora AI Film Studio** and take it to market across Malaysia, Singapore & Indonesia on our owned distribution.

OY ≈ Cora

OWNED DISTRIBUTION

PARTNER BRINGS — PROVEN OVERSEAS

Proven AI film studio

Working production pipeline & overseas track record — films at a fraction of traditional cost.

"OY" smart-routing engine

Auto-selects the best AI model per shot/task → speed, cost & quality, no single-model lock-in.

Production IP & workflow

Templates, tooling & know-how — ready to white-label and localize for the region.

The routing synergy

one orchestration layer

OY engine

partner · routes film models

+

Cora routing

ours · routes daily AI work

- **Same core idea** — pick the right model for each job, automatically.
- **Merge into one stack** — films + everyday AI on a single owned orchestration layer.
- **Compounding edge** — lower cost, higher quality, resilient to any one model's limits.
- **Defensible** — routing know-how + our distribution is hard for rivals to copy.

WE ADD — CORA, REGIONAL

Cora brand + repackage

Relaunched as **Cora AI Film Studio** on our owned toolchain (Cora AI Gateway + OnelP).

Owned distribution

AI Academy talent pipeline (DIY grads) + OnelP storefront — demand we already control.

Talent (BFU) + funding

Sign local actors / KOLs (their likeness) into AI films while raising per-film investment.

Local go-to-market

MY / SG / ID access · enterprise & SME (DFY) · HRD Corp / regional channels.

Go-to-market

MY · SG · ID

1 · Repackage & localize

White-label the studio + OY engine as Cora AI Film Studio; localize language, talent & pricing.

2 · Distribute

DFY for enterprise/SME · DIY fulfilled by FounderTrack grads · sell through Academy + OnelP.

3 · Fund per film

Each film raises its own investment with attached actors / KOLs — the BFU proposition.

DEAL — TO DEFINE

White-label vs JV · regional exclusivity (MY/SG/ID) · rev-share · OY IP/license scope

Illustrative partnership framework · partner owns the studio & OY engine; Cora localizes, brands & distributes · terms subject to agreement
